Customer Service **0800 912 1700\***

Dear Mrs. Justine Martin,

**New connections at Ham Farm, land off Shaftesbury Road Gillingham SP8 4LL**

Thank you for choosing us to give you a budget indication for new connections at the above site, and please find our estimate below.

**Work to be carried out**

SGN Connections to install appropriately sized gas infrastructure to a suitable location(s) to supply 100 x domestic properties. SGN Connections to carry out all the necessary excavation and reinstatement work in public. Customer to do all private excavation and reinstatement No meter/meter housing work is included.

**Your budget indication is £ 72,100.00 (inc VAT)**

Please note that this figure is a budget indication only, it is based upon an hourly load of 600.00 kW and an annual quantity of 2,060,000.00kWh along with any other information you've given us, and doesn't represent an offer to carry out the work.

We're assuming no easements or third party permissions are required to carry out the work. This does not include for any easements or permits.

Upon acceptance of your order, SGN will need to run further analysis to ensure that the existing gas infrastructure can manage your new gas loads (Security of Supply Check). If the existing infrastructure requires reinforcement to accommodate your loads, then this will incur time delays to the installation of your gas supplies. Reinforcement costs will be met by SGN and we will contact you where required.

Please note that this budget indication doesn't allow for any diversion of our existing infrastructure if we find it's necessary. You can get further detail on this by calling our customer service line on the number at the top of this page and asking to speak with the Mains Diversions and Isolations team.

If you have any further questions, please feel free to contact me by calling our customer service team on the number at the top of this letter and asking to speak with the undersigned.

Yours sincerely

Meagan Dorney  
Technical Assistant
